Since 2000

# ISIMET® Commercial Kitchen Gas Controller (KLA)

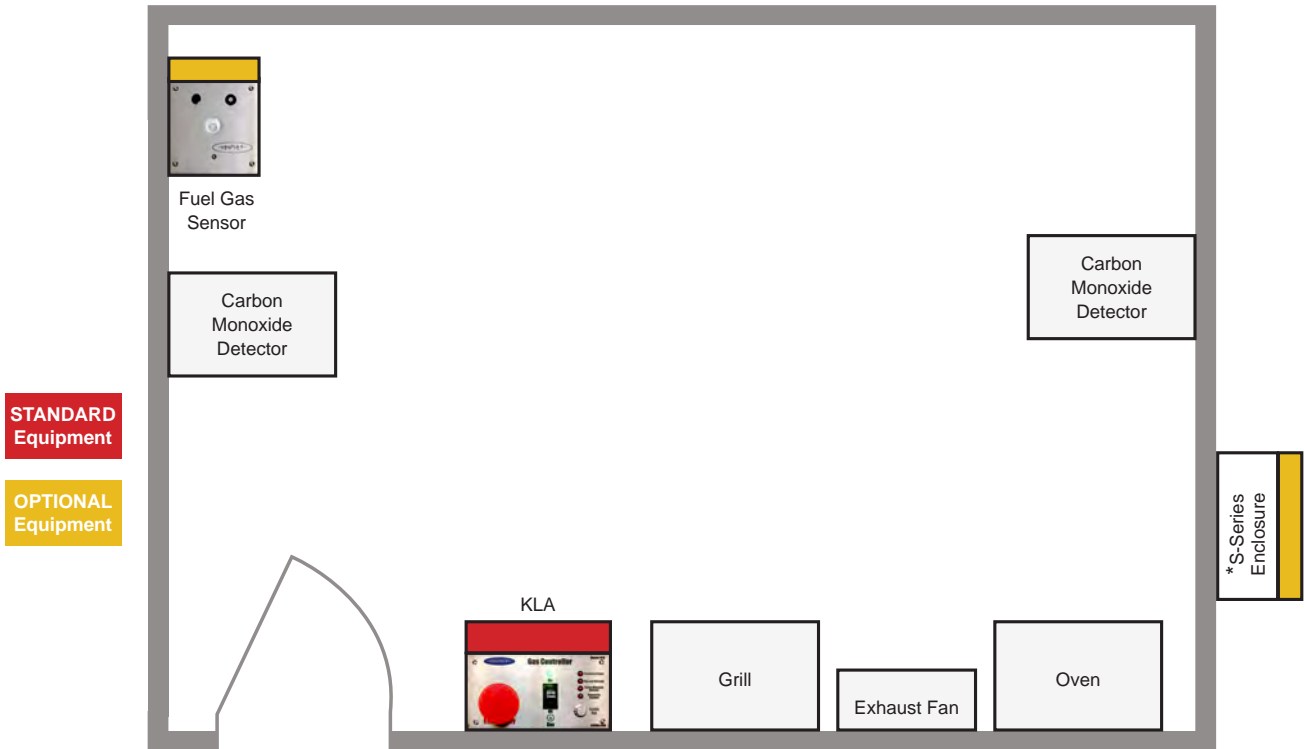

- Helps prevent gas explosions in commercial kitchens.
- Fuel Gas Sensor detects natural gas leaks; disables gas if leak is detected.
- Fan Interlock prevents gas from flowing if exhaust fan is off.
- Interfaces with carbon monoxide detectors.
- Gas Pressure Transmitter (optional) performs gas pressure stability test prior to initialization of gas. Disables gas if test fails/leak is detected.
- Programmable Timer automatically turns off gas during non-business hours.
- Helps prevent costly fire suppression system from activating.
- Available in keyed and non-keyed options.
- Dimensions:
  - Cover - 5.25" x 9.75"
  - Box - 4.75" x 9.25" x 3" D
- UL Listed.

*Helps keep employees, customers and buildings safe.*

# ISIMET® Commercial Kitchen Gas Controller (KLA)
